

Councilmember
Barbara Bry
Council District 1

THE BRY BULLETIN

May 2017

Dear Friend:

As chair of the Budget Review Committee (BRC), I invite you to attend our upcoming hearings to share your priorities. All BRC meetings will take place at City Hall Council Chambers (202 C Street, 12th Floor), and details are listed below. For information about any of these meetings, please call my office: 619-236-6611.

The Los Penasquitos Lagoon Inlet is Open!

On Thursday, April 13th, crews working through the Los Penasquitos Lagoon Foundation breached the inlet at Los Penasquitos Lagoon and Torrey Pines State Beach. The Lagoon is a fragile ecosystem that depends on the regular tidal flow of ocean water. In addition to the enhancement and restoration of the Lagoon and the surrounding watershed, the City of San Diego plays a large role in the future of the area's environmental health. The open inlet offers environmental benefits, and the natural ocean flow into the lagoon helps to prevent the growth of mosquito populations.

Denim Day for Sexual Assault Awareness Month

I was proud to join with my colleagues to declare April 26th Denim Day in the City of San Diego. We wore jeans to stand in solidarity with survivors and raise awareness about sexual assault in San Diego. Why denim? Learn more at: <http://denimdayinfo.org/>.

If you or someone you know has experienced sexual violence, you are not alone, and help is available: 1-888-385-4657.

Mid-Coast Trolley Expansion Update

This spring, crews will be preparing the roadway for construction of the viaduct - a bridge structure that will carry the trolley down the middle of Genesee Avenue. Crews will start widening south-bound Genesee Avenue to relocate utilities, constructing the viaduct on the UCSD Campus, and working on the Gilman Drive Bridge structure. During this time, there will be ongoing, intermittent closures of on- and off- ramps and lanes at the La Jolla Village Drive exit on Interstate 5.

April 22nd —Our team at the I Love a Clean SD Creek to Bay Cleanup in La Jolla Shores

Expanding Neighborhood Watch in D1

Fostering a cooperative relationship between law enforcement and the community is critical to strengthening public safety in our neighborhoods. I recently started a Neighborhood Watch group on my own block, and we held the first meeting on April 5th. I thank Officer Larry Hesselgesser from SDPD Northern Division and Cynthia Chasan, Chair of the La Jolla Town Council Crime Watch Committee for training us on how to run an effective Neighborhood Watch program in our community. Encouraging District 1 residents to start their own Neighborhood Watch programs is one of my public safety priorities as a Councilmember.

If you would like to start a Neighborhood Watch, our office will provide one free sign. If you are interested, please contact us at: BarbaraBry@sanidiego.gov.

March for Science San Diego

April 22nd—San Diego's First Council District is the epicenter of our regional innovation economy and is home to some of the world's

premier scientific research facilities. San Diego has an estimated 11 million square feet of lab space, concentrated mostly within the Torrey Pines, University Town Center and Sorrento Mesa neighborhoods, and this is where groundbreaking discoveries are happening. As the representative for Council District 1 and a high-tech entrepreneur, I was proud to join my fellow San Diegans in the March for Science to

advocate for public policy that both supports, and is supported by, openly shared science. Lifesaving research is happening here in our backyard, and I am committed to ensuring that this important work continues.

April 15th—Community Coffee in Carmel Valley

April 12th—Supporting the Climate Action Campaign
